Spring is in the Air!

Spring is always a very busy time in schools. We are hard at work closing one year down and preparing for the start of a new school year all at once!

With that in mind, we would like to wish the following staff members well as they move on from LHS next year:

- Ms. Reynolds (maternity leave)
- Mrs. Sorotsky (maternity leave)
- Mrs. Humeniuk (maternity leave)
- Ms. Giofu (new position at Davidson Creek Elementary)
- Mrs. Graziano (new position at Westboro/Uncas)

We would also like to extend our best wishes to Mr. Mullen, Mr. Bidwell and Mrs. Perepeletza who were with us this year on temporary contracts.

Next year, we look forward to welcoming Mrs. Cochrane to LHS! Mrs. Cochrane will be joining us in the front office.

Share your Thoughts: Province Wide Student Transportation survey now open

Currently, Alberta Education is conducting a survey regarding student transportation. Parents, school authorities and stakeholders are asked to take the survey. The feedback received will help determine if changes need to be made to the distance criteria, mandated service levels and the safety considerations. When completing the survey keep in mind the government has said there is no more money for Student Transportation, which means if something new is funded something else may be lost. **The survey closes June 15, 2018.**

To take the survey and learn more visit www.eips.ca.

2017-18 EIPS Parent Survey Results Report

The results are now available for the 2017-18 EIPS Parent Survey conducted in March. Thank you to all families who took the time to share their feedback with the Division. The survey included 20 questions related to the three priorities outlined in the EIPS 2015-18 Three-Year Education Plan:

- Priority 1: Promote growth and success for all students
- Priority 2: Enhance high-quality learning and working environments
- Priority 3: Enhance public education through effective engagement, partnerships and communication

The overall Division results represent 2,918 responses from parents and guardians across EIPS, which is an increase from 2,678 responses the previous year.

The feedback gathered will help EIPS schools and the Division measure its progress toward meeting the priorities and goals outlined in the EIPS 2015-18 Three-Year Education Plan and develop strategies to better serve students and the wider community moving forward.

Complete Parent Survey results for the Division are available by visiting www.eips.ca/about-us/planning-and-results/parent-survey.
